

**DeMarcus Taylor:**

Marcus is a Program Supervisor at Lydia House. I think Marcus would be a great nominee because he is very seasoned in his job. Even though he has had his struggles like everyone else, he is very focused on making sure that the people he takes care of gets everything that they ask for and more. He makes sure that they get out every week; he does have many staff that drive, but he will take care of it himself. He makes sure that everyone gets the things that they need. When they go out to eat, he will take them to the party or outing. The individuals love to be out at the mall and meeting people daily.

One of thing that happened was one his individuals had his MA cut off. Marcus made sure he went over and beyond to get his MA back on he kept open communication with everyone. He also tried to keep everyone in the loop when the guardian passed he away. He works well with everyone, he has no concerns or problems working with anyone, and if anyone needs time off, he will work with them to make sure they get the time off they need. Whenever Marcus is around, he has a positive and upbeat relationship with everyone. He has been a great impact on the organization for the last 12 years and he has given a lot to everyone. Taking the individuals to the Casino and out to eat, while making everything fun for them, so they can enjoy their life to the fullest
